Sino-Japanese Studies (ISJN 1041-8830), the continuation of *Sino-Japanese Studies Newsletter*, was published twice annually until 2001 and thereafter once each year by the Sino-Japanese Studies Group. Its general purpose is broadly conceived as encouraging research and discussion in the interdisciplinary study of China and Japan together, irrespective of discipline or time period. The annual subscription rate for *Sino-Japanese Studies* is US \$15 for individuals and US \$25 for institutions, and this has not changed since its inception in 1989. All back issues are available from the editor. Membership in the Sino-Japanese Studies Group is automatic with a subscription. As a rule the Sino-Japanese Studies Group meets annually in conjunction with the convention of the Association for Asian Studies.
